IN MEMORY

Mrs. Alice Wooddell died at her home near Nottingham, a few moments before one o'clock Monday night, November 19, 1923.

She was a daughter of Samuel Cassell who preceded her to the grave

Mrs. Wooddell was 67 years, six months and 22 days old. Forty-five sympathy and prayers, and that a years ago she was married to John F. Wooddell. For years she had been in failing health, but would never and the Pocahentas Times for pubcomplain nor give up. About three lication. months ago her suffering was so great she gave up to go to a hospital. While there she was given an operation, but she had gone too far for any good to be done, and she was brought home. She was at home eight weeks until her death. Her sufferings were she cared for nothing on earth; all and Greenbrier met in Ronceverte.

to take her home.

words. 'God shall wipe away all tears quite a success. from their eyes." After which the graveyard, where her father, mother and one sister are laid to rest.

CORN EXHIBIT

county are urged to pick out ten good lowing persons appeared on the proears of corn for an exhibit at the grom: Miss Helen Smith, Roneeverte County Fair next August. Our Fair Miss Valenta Harbourne, Hillsboro is held too early for corn to mature, but now that the cribs are bursting Margaret LaRue, Hillsboro, G. striking or pleasing display of fa. m ty;) Miss Julia Mellichamps, of Lewwealth than hundreds exhibits of isburg, Walter Vance, Hillsboro. The yellow, white and red corn ears. Greenbrier High School Orchestra. Such a corn exhibit would decorate the fine agricultural building off about right.

To the Teachers of Edray Distrrct: You are urged to join every teacher of Edray District in making the school grounds more attractive and also more conducive to school health urer Lucile B. Doughty, Ronceverte. by observing Friday afternoon, December 7th as Play Ground Day in in which every teacher in the district is urged to do her part.

First, clean up and beautify school premises. Second, install the follow- mind. ing play ground equipment, as agreed upon by the teachers of the district in District Institute assembled; two volley balls or two basket balls, one gian stride; which can be made of a strong post well cemented in the ground and an automobile rim fastened on top with ropes hang for swings, one horizontal barr, two to four swings. These were some of the things urged by State Supervisor Mr. Muldoon, at the District Institute Don't forget the date, December 7th, Friday p. m. Invite patrons and all friends to join you and let's

all do our part and thus put this project over the top. After you have done your bit please report the same to Miss Anne Cor-

rell, District Playground Chairman,

FIRELESS CHRISTMAS

Charleston, Dec. 3-West Virginia cause he had just learned a dream he had cherished for some time was married to Elizabeth Welch. To this of joy, frequently becomes a time of

> home. In endeavoring to extinguish For forty years Mr, Bursess was an earnest and consistent follower of Jesus Christ, having united with life. In some instances the candle is side celebrations. The wooden or paralyn base easily takes fire when the candle burns to the end, and Moral: Don't allow the use of the "candle in the window," and advise your freinds against the custom.

"If there is a Christmas tree, it tween Cass and Richwood to prevent Methodist Church, Hillsboro, on Mon no one knows the strain it may be day afternoon and was condected by subjected to during its use. Place it Marlinton, Cass and other points have been inquired in but no one seems to know what has become of tery.

day attended and was confected by subjected by the pastor, Rev. Clark Early. The in a section of the room away from have been inquired in but no one interment was in the McNeel Cemebeating and lighting fixtures. Use flake as bestos and powdered not burn. Cotton and paper decorwho at the age of ninety-one years, should be illuminated with small electric light bulbs Candles on a Chrisnmas tree are usually hazardous. Call an electrician to connect your electric lights. Ornaments for the tree should be metal. Paper, pyralin be provoked to larger service by the memory of his devotion to duty

> Continuing his cautionary statement, Marshal Topping said 'toys the Baltimore Southern Methodist involving the use of alcohol, gasolene or kerosene should be avoided and low priced electrical playthings shold be viewed with suspicion, since they are often insecurely wired or flimsily constructed. In recent years a number of small motion picture projections have been placed on the market as Christmas toys. Very disastrous results have followed, as all kinds of films discarded by exchanges are used in their operation without the knowledge of their high inflammability. It would be difficult to place a more dangerous combina tion in the hands of children.

'Christmas trees should be removed from the house immediately after the day's celebration, as they become highly combustible when they dry out from the heat of the room.

Decorations should be of fireproofed Meeting which meets Friday evenings paper shades or ornaments should never be allowed unless they are are doing. fireproofed ...

Marshal Topping request that the that he produced a good program public heed these injunctions and night December 1st, proceeds for the 1923, between the hours of 10 a. m. without going outside of the three assist his department in its efforts to Methodist church.
